

**Sømløse sirkulære stålrør for mekanisk og
alminnelig bruk**
Tekniske leveringsbetingelser
Del 1: Ulegerte og legerte stålrør

Seamless circular steel tubes for mechanical and general engineering
purposes
Technical delivery conditions
Part 1: Non-alloy and alloy steel tubes

Nasjonalt forord

Den engelskspråklige versjonen av europeisk standard EN 10297-1:2003 er fastsatt som Norsk Standard NS-EN 10297-1:2003.

National foreword

The English language version of European Standard EN 10297-1:2003 has been adopted as Norwegian Standard NS-EN 10297-1:2003.

ICS 77.140.75

English version

**Seamless circular steel tubes for mechanical and general
engineering purposes - Technical delivery conditions - Part 1:
Non-alloy and alloy steel tubes**

Tubes sans soudure en acier pour utilisation en mécanique
générale et en construction mécanique - Conditions
techniques de livraison - Partie 1: Tubes en acier non allié
et allié

Nahtlose kreisförmige Stahlrohre für den Maschinenbau
und allgemeine technische Anwendungen - Technische
Lieferbedingungen - Teil 1: Rohre aus unlegierten und
legierten Stählen

This European Standard was approved by CEN on 16 October 2002.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Slovakia, Spain, Sweden, Switzerland and United Kingdom.
